AI & TECHNOLOGY CREATOR

Technology, made human.

Ali Alkhuzaee

AI & Tech Creator | N8N Automation Engineer

PhD in Computer Engineering

Founder & CEO of Study UA Plus

Partner with Ali Alkhuzaee

Connect your brand with an Arabic-speaking audience interested in AI, technology and productivity. Ali turns product features into clear, practical stories, showing how SaaS tools and automation can help with everyday tasks.

WHY PARTNER WITH ALI?

A focused content niche

AI, technology, productivity and automation form a consistent editorial focus.

Complex tools, made approachable

Clear Arabic storytelling connects technical features to familiar, everyday needs.

Built for short-form

Concise videos combine a relatable problem, a practical application and a clear takeaway.

Practical by design

Hands-on AI and automation experience supports demonstrations that explain what a tool does, how to use it and where it can help.

MULTILINGUAL CREATOR / INTERNATIONAL PERSPECTIVE

Arabic. English. Russian. Ukrainian.

I can work and communicate in Arabic, English, Russian and Ukrainian. Content, product demonstrations and multilingual campaigns can be tailored to your brief.

My international perspective is shaped by approximately 18 years of study and visits in Ukraine and around five years of living in Belgium.

Based in Belgium & Ukraine | Serving Clients Internationally

BRAND PARTNERSHIPS

Useful products. Clear stories.

Campaigns for AI, SaaS, technology, automation and creator-tool brands.
